How to Register

All students must turn in, or have on file, a completed E-13 Participant Information and Authorization form to register for class. Once completed, E-13 forms are good for one school year.

Classes are formally being run through [Loyal Heights Community Center](#) where you can turn in all of your paperwork and receive more information about classes, registration, and scholarships.

An additional \$5 insurance fee will be required when registering for all gymnastics, tumbling, or circus arts classes offered through Seattle Parks and Recreation. This non-refundable fee covers a child's participation in all gymnastics, tumbling, or circus arts classes for one year from the date of purchase. Please contact your local community center to purchase this insurance. **Note:** This insurance will only be utilized if expenses exceed your primary insurance coverage.

FIRST CHOICE

Stop by your local community center to register for programs and meet the staff. Staff welcomes face-to-face interaction! Please note hours of operation as they vary across community centers.

SECOND CHOICE

Online registration using the SPARC system by going to seattle.gov/parks and clicking on SPARC. Please note that you will need to set up an account prior to having access to the online SPARC system. This may take up to a week to process. We do our best to set up accounts for registration within 48 hours.

THIRD CHOICE

Call your local community center during our hours of operation at the phone number listed above, or at: seattle.gov/parks/centers.asp. All staff can assist you with registration during operating hours.

What You Need to Know

Registration and Payments:

Registration opens Jan 3. If you have never participated in a Seattle Parks and Recreation sponsored program, please sign up at the community center where they can create an account for your family. Once an account is established, you may call **Loyal Heights CC**, stop by, or pay on-line through SPARC. If you register on-line please email the community center coordinator who your child's classroom teacher is and where your child will be going after class. Registration is open for all classes until the day prior to the start of class. **Remember: All students need a Participant Information and Authorization E-13 form prior to participating in any after school classes.**

Scholarship:

To apply for a scholarship, complete and return a scholarship application to the community center. Applications can be found in the **Loyal Heights Elementary** main office, **Loyal Heights CC**, or can be downloaded at bit.ly/sprscholarships. Scholarship award and co-payment will be determined based on income qualification.

Refund Policy:

It is the policy of Seattle Parks and Recreation and the Associated Recreation Council that:

- Anyone who registers for a class that is cancelled for any reason will receive a full refund.
- Anyone who registers for a class and who requests a refund prior to the second session of the class may receive a refund minus a service charge of \$5 or 10% of the fee, whichever is greater.
- Full details of the Department's Refund Policy can be found at www.seattle.gov/parks/reservations/feesandcharges/refunds.htm.

OH NO! My class got cancelled!

Most classes require a minimum of 6 participants in order to be financially sustainable. We do our best to avoid cancelling classes. However, classes that do not meet minimum enrollment requirement are cancelled prior to their start date. We do prorate class fees to reflect late registration for classes that meet minimum enrollment requirement prior to their start dates.

PLEASE REGISTER EARLY!

Snack and Clothing:

The After School Enrichment Program will provide a snack for each student. Please send your children with clothing appropriate for their classes.

Behavior:

We have the expectation of respect for teachers/instructors and good behavior during classes. Students are expected to maintain the same behavioral standards that they would during the formal school day. If an instructor determines this is not the case the following steps will be taken:

- At the first incident, the Program Administrator will contact parents/guardians regarding student behavior.
- The student will be given one trial class to improve.
- If the disruptive behavior continues, the student will be removed from class.

The program is unable to issue a refund if the student is removed from a class due to a behavioral issue. Please discuss enrollment with your child to be sure they want to attend an after school class.

Picking up Your Child:

Your child must be picked up on time. Our program does not provide childcare after class is over at **4:45 p.m. or 6 p.m. (for Coding class ends at 5:15 p.m. on Tuesday)**, and the playground is not supervised at that time. If your child is picked up late, you will be charged \$1/minute for every minute past **5 p.m. or 6:05 p.m.** that you are late. Please call the **Program Administrator** if you are going to be late. Your student can only be picked up by persons listed on the E-13 form. Students will be directly picked up from their classrooms and must be signed out.

Absences/Changes:

Please contact the **Program Administrator** as soon as possible with any of the following:

1. Your student will not be attending class (but was at school).
2. Your student was absent from school and will not be attending the After School Program.

Questions/Concerns:

Once a class has begun, if you have any issues or concerns regarding a class, please contact the **Program Administrator**, or email the **Community Center Coordinator**. The **Program Administrator** will be on-site and available during program hours all quarter.

Creative Coding 4 Kids

Creative Coding teaches your child to code by helping them make their own custom video games! Our project based, multilevel classes are amazingly fun yet very effective in teaching creative problem solving AND emotional resilience. Our classes are also designed to be repeated an infinite number of times. As students complete a class, they go up one level, like in video games, and increase their coding skills, speed, and proficiency.

Students new to coding will participate in the Creative Coding core curriculum, learning the fundamental elements of coding using MIT's Scratch to create their very own computer games! Students with previous Scratch experience will enjoy the Advanced Curriculum, where each day contains a unique mix of coding challenges, techniques, and hacks

For more info, visit creativecoding4kids.com.

No student is turned away due to the inability to pay, please check out our scholarship options at the community center and with Creative Coding.

Instructor: April Keroack

Kids Carpentry

Kids' Carpentry is a hands on toy building class designed to teach girls and boys practical woodworking skills with an emphasis on the safe use of hand tools. While kids construct fun and exciting projects they are also empowered to become independent thinkers - building confidence, self esteem, and a repertoire of practical skills that will last them a lifetime! At the end of the session, each child will go home with at least two but often four or more wooden toys or games that they have made and painted by hand.

Instructor: Kids Carpentry Staff

Machine Sewing

Students are invited to learn a skill they will use for a lifetime and a hobby they will forever enjoy... sewing! No experience necessary! Boys and girls will learn the basics and beyond. Beginning students will learn machine safety and beginner sewing techniques, while more experienced students can expand on skills they already have. Students will advance at their own pace to more exciting and challenging projects throughout the session. Projects, which are constantly rotating during the quarter, include backpacks, phone cases, clothing, accessories, bags, games, stuffed animals, and more! All sewing classes are supervised by Chelsea Cook, owner of Little Hands Creations.

Children learn Spanish in a safe environment where they are encouraged to help each other. Students are invited to participate and learn through fun activities. Reading and writing are encouraged as students develop at their own rate. Lessons are planned according to month, season, relevant topics, and children's interest.

Instructor: Rhya Ramirez

Stone Soup Theatre: Fractured Fairy Tales

Students will play theater games to learn the basics of theater and acting while increasing their listening skills, confidence, concentration skills, and ability to work together. By the end of the course, children will produce a 30 minute play "Fractured Fairy Tales", where Helga and Olga Grime claim that they, not their brothers, are the true fairy tale writers. They say their brothers changed the ending, and now they want to show the world true fairy tales, as they were supposed to be. The last day of class will be a presentation of the play with costumes for friends and family.
